

The Last Time

F G Am

Right before your eyes,

C F

I'm breaking, no past

G Am C G F

No reasons why, Just you and me...

C Am

This is the last time I'm asking you this,

G F

Put my name at the top of your list

C Am

This is the last time I'm asking you why,

G F

You break my heart in the blink of an eye, eye, eye.
