

Hello teachers & music students,

Are your students all singing Taylor Swift songs or is that just mine? Between the Eras tour and the release of "Speak Now (Taylor's Version)", there just might be something for everyone in Taylor's repertoire this summer!

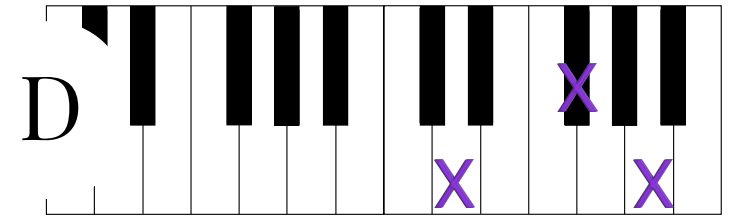

Today I'm sending you a chord chart for "Back to December", the song a young Taylor originally wrote about her relationship with Taylor Lautner. (I'll let your students tell you the rest of that story)

I hope you and your "Swiftie" students enjoy this chart!

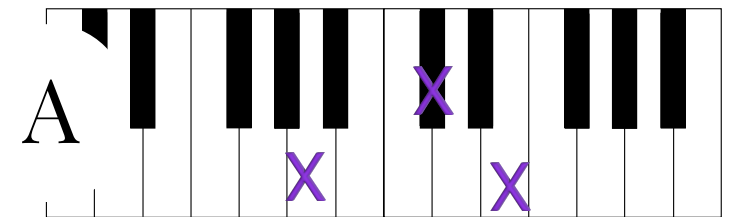

Musically,  
*Rhonda*

# Back to December

D  
So this is me swallowing my pride

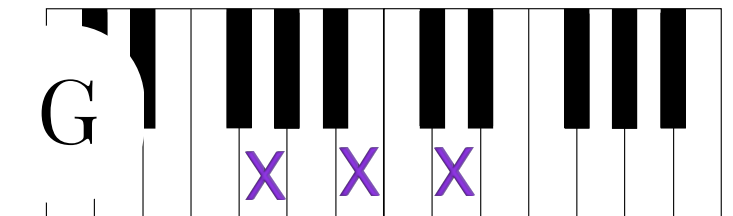

A G  
Standing in front of you saying I'm sorry for that night

Bm A  
I go back to December all the time

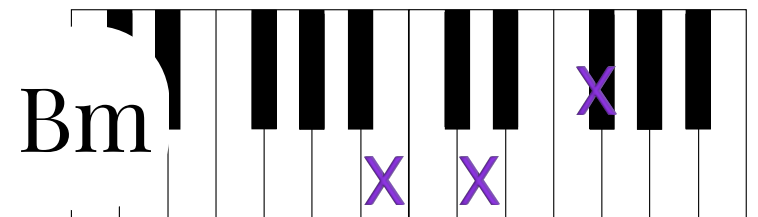

D  
Turns out freedom ain't nothing but missing you

A G  
Wishing I realized what I had when you were mine

Bm  
I'd go back to December,

A G  
turn around and make it alright

Bm A D  
I go back to December all the time.
